

# MARTA DÁVILA MATEU

✉ [davilama@usc.com](mailto:davilama@usc.com)    💻 [martadavma.com](http://martadavma.com)

## Research Interests

---

My research interests are in Programming Languages and Formal Methods. More specifically, I am interested in program synthesis, automated theorem proving, and automated verification.

## Education

---

### University of Southern California

*Ph. D. in Computer Science*

Advisor: [Dr. Mukund Raghothaman](#).

Los Angeles, CA, USA

*August, 2024-Now*

### University of Southern California

*M. Sc. in Computer Science*

Programming Languages Research.

Advisor: [Dr. Mukund Raghothaman](#).

Los Angeles, CA, USA

*August, 2022-December, 2023*

### Maastricht University

*B.Sc. in Data Science and Engineering - Honours Degree*

Research-Based Learning for Excellence(30 additional credits).

Thesis: *Game Theory of Fishing: Sustainable Fishing Policies and its Worldwide Effects*.

Advisors: [Dr. Kateřina Staňková](#) and [Prof. Frank Thuijsman](#).

Maastricht, the Netherlands

*August, 2016-June, 2019*

### University of Sydney

*B.Sc. in Computer Science*

Exchange Semester.

Sydney, Australia

*August, 2018-December,2018*

## Working Experience

---

### ESA Guiana Space Centre

*Technical Manager - Software and Systems Engineer*

Developing and improving vital software for rocket's flight and safety, and solving software and system anomalies formerly and during rocket launches at the [Guiana Space Center](#).

Kourou, French Guiana

*February, 2021 - May, 2022*

### GTD - ESA Meteosat Satellites

*Data and Software Engineer*

Designing, developing and testing the data processing software of the series of [satellites Meteosat](#), operated by the European Space Agency.

Barcelona, Spain

*June, 2019 - February, 2021*

## Teaching Experience

---

### CSCI 570 - Analysis of Algorithms.

*Teacher Assistant*

Lecturer: [Shahriar Shamsian](#).

University of Southern California

*Spring 2025*

### CSCI 103 - Introduction to Programming.

*Teacher Assistant*

Lecturer: [Andrew Goodney](#).

University of Southern California

*Fall 2024*

## Publications

---

### Conference Papers

---

- [OOPSLA23] Marta Davila Mateu. "Synthesizing Recursive Programs through Dataflow Constraints". In: *Companion Proceedings of the 2023 ACM SIGPLAN International Conference on Systems, Programming, Languages, and Applications: Software for Humanity*. 2023, pp. 25–27.

### Theses

---

- [Thesis19] Marta Davila Mateu. *Game Theory of Fishing: Sustainable Fishing Policies and its Worldwide Effects*. Maastricht University. B.Sc. thesis. 2019.
- [Thesis18] Frederik Calsius, Marta Davila Mateu, Marion Meyers, Albert Negura, Hermann Ritter, and Ryan Yared. *Intelligent Robotic Game Device for the Assessment of Cognitive and Physical Capabilities in Children*. Research thesis. 2018.

## Awards

---

### **SPLASH (OOPSLA) Student Research Competition 2023 - 2<sup>on</sup> place**

Students could present their research to a panel of judges and conference attendees.  
Organized by SPLASH conference and the Association for Computing Machinery.

### **Maastricht Rethinking Hackathon 2018 - Winner**

36 hours to find a data-driven solution for a justice problem: LDS-Tool.  
Organized by HiiL, Ebay and the Dutch DIFC Courts.

### **Future of a Data-Driven Society Research Award 2017 - Winner**

Granting funds to a research proposal that leverages Data Science to benefit society.  
Organized by the Institute of Data Sciences, Maastricht University.

## Other activities

---

### **Professional Sailor**

ISAF Youth World Champion 2014.

### **Social Media Content Creation**

Over 130,000 followers on Instagram: [@martadavma](#).

### **Public Speaker**

Presented events with over 300 attendees.  
Fluent natural languages: English, Spanish, Catalan, French.
